

CARPINTERIA VALLEY MUSEUM OF HISTORY

YES! I WISH TO DONATE TO THE CARPINTERIA VALLEY MUSEUM OF HISTORY.

The Carpinteria Valley Museum of History provides a fascinating glimpse into the Valley's past. A variety of unique exhibits examine the three major cultures that made this valley their home: Native American Chumash; Spanish Californio; and American Pioneer.

The Carpinteria Valley Historical Society, a nonprofit, educational organization, created, maintains, and operates the Museum and research library. The Society's mission is dedicated to collect, preserve, interpret, and exhibit objects of historical significance related to the Carpinteria Valley.
